Want to see or add a story to the backlog?

Submit a PBI

or see the current PBIs/User Stories on the backlog

1 View existing User Stories in the backlog:

> http://

This portal contains the backlog, burndown charts etc.

2 Email User Stories to:

The Product Owner will prioritize your User Story.

3 (or) use paper with 'SSW Story Cards'

Translating your needs into the user story format is simpler than you think. Print these story cards by googling:

> SSW Story Card

Google™

Future thinking. Immediate results.
